Environmental Assessment for the Airport Terminal Renovations Project at the Meridian Regional Airport

The Meridian Airport Authority, in coordination with the Federal Aviation Administration (FAA), in compliance with the National Environmental Policy Act of 1969, FAA Orders 1050.1F, has completed an Environmental Assessment (EA) for the proposed terminal demolition and reconstruction project at the Meridian Regional Airport, Meridian, MS. Copies of the document are available on the Meridian Regional Airport website at

<https://www.meridianairport.com/public-notice> and the EA will be available for review at the Meridian Regional Airport terminal office located at 2811 Airport Blvd, Meridian, MS 39307.

Written comments on the EA are requested from interested parties and will be accepted no later than Monday, June 24, 2024. Your comments may be provided in writing, or email to Mr. Eric Tomasovic at: Eric.tomasovic@faa.gov or 10 Canebrake Blvd., Suite 100, Flowood, MS 39232.

Please make your comments as soon as possible as they relate to the proposed action. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, be advised that your entire comment including your personal identifying information may be made publicly available at any time. While you can ask us in your comment to withhold from public review your personal identifying information, we cannot guarantee that we will be able to do so.

All substantive comments will be carefully reviewed. In accordance with Federal Regulations, the FAA will not decide whether to implement the proposed project or take an alternative action until the review process is completed.
