In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

# General Notice of COBRA Continuation Coverage Rights

(For use by single-employer group health plans)

**\*\* Continuation Coverage Rights Under COBRA\*\***

## Introduction

You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

**You may have other options available to you when you lose group health coverage.** For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

## What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage **MUST PAY** for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

## RETIREE COVERAGE ONLY:

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to Meridian Airport Authority, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

## When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- Retiree coverage only: Commencement of a proceeding in bankruptcy with respect to the employer; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

**For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 30 days from loss of coverage date after the qualifying event occurs. You must provide this notice to: Meridian Airport Authority.**

## How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified

beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

#### **Disability extension of 18-month period of COBRA continuation coverage**

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

#### **Second qualifying event extension of 18-month period of continuation coverage**

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

### **Are there other coverage options besides COBRA Continuation Coverage?**

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, [Children's Health Insurance Program \(CHIP\)](#), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at [www.healthcare.gov](http://www.healthcare.gov).

### **Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?**

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period\* to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

### **If you have questions**

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit [www.dol.gov/ebsa](http://www.dol.gov/ebsa). (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit [www.HealthCare.gov](http://www.HealthCare.gov).

### **Keep your Plan informed of address changes**

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

# Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your State for more information on eligibility –**

# New Health Insurance Marketplace Coverage Options and Your Health Coverage

## PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit. \*An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact your employer via the information provided below.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](http://HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

## PART B: Information About Health Coverage Offered by Your Employer

We do not offer coverage.

If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

\*\* Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here's the employer information you'll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums.

# Important Items to Remember

## **NEW HIRE WAITING PERIOD**

New employees are eligible for company insurance benefits: The 1st of the month following date of full time employment status.

## **TERMINATION OF BENEFITS**

When your employment with the company is terminated, your benefits will stop: At the end of that month

## **ELIGIBLE EMPLOYEES**

To be eligible for company benefits, you must be a full time employee working an average of 30 hours per week during the year

## **DEPENDENT CHILDREN**

Children under the age of 26 are eligible to be covered under the benefits. They will be taken off of the plan at the end of the month in which they turn 26

## **OPEN ENROLLMENT**

You can make changes to your plans ( enroll in coverage, waive coverage, add/drop dependents, etc.. ) during this time period each year. Open enrollment occurs 30 days prior to your plan renewal. All changes made during this time period will take effect on the renewal date

## **MAKING PLAN CHANGES DURING THE YEAR**

If you've had a major life event ( getting married, having a child, getting divorced, losing coverage, becoming eligible for Medicare, etc... ) during the year, you're able to make coverage changes to your plan even though it's outside of the Open Enrollment window. Please turn in all paperwork within 30 days of your Qualifying Event to ensure it will be processed timely and any claims incurred will be paid. PLEASE NOTE: If adding a newborn baby to your plan, the baby's social security number will not be available right away. Please submit the paperwork without it, and provide it once it's available

## **COBRA**

PLEASE NOTE: In the event your employment is terminated with the company, you will receive a packet in the mail giving you the opportunity to continue your Medical, Dental and Vision benefits for up to 18 months. This is called COBRA coverage. Your employer DOES NOT contribute to this coverage as they may when you are employed with them. You will be responsible for 100% of the actual cost of the insurance if you wish to continue with it.

## **STAY IN NETWORK**

To obtain the best benefits, it's important to stay in the insurance carrier's network. Always check online or verify over the phone that a doctor or hospital is in network BEFORE your visit. Also, when having a procedure done in a hospital/facility, ask the hospital staff to make sure EVERY doctor/nurse/radiologist/anesthesiologist/etc... is in your network

## **EXPLANATION OF BENEFITS**

Commonly referred to as an "EOB". The EOB is a very useful document as it explains how the insurance carrier processed your claim. It shows the billed charges from the provider, the network discount applied, and what the resulting Negotiated Rate is. ( Provider Charge - Network Discount = Negotiated Rate ) It also shows whether the service was applied to your deductible or paid as a co-pay. It is not a bill, but merely an explanation of how the insurance carrier paid your claim.

## **NEED A NEW ID CARD OR ANOTHER ID CARD FOR A DEPENDENT?**

You can register for the insurance carrier's website where you can print out temporary ID cards and order new cards, or you can contact: Charli Armes at Benefits Management Group Email: charli@bmgp.net Phone: 601-485-0688 ext. 237.

## **HAVE QUESTIONS ABOUT AN INSURANCE CLAIM?**

PLEASE HAVE COPIES OF YOUR EXPLANATION OF BENEFITS ALONG WITH A COPY OF YOUR BILL(S) READY & CONTACT: Charli Armes at Benefits Management Group Email: charli@bmgp.net Phone: 601-485-0688 ext. 237.

# Insurance Terms and Definitions

## **PPO ( PREFERRED PROVIDER ORGANIZATION )**

A PPO is a type of insurance network. In this type of network, you may choose to obtain care in or out of your network. If you choose to visit a "Preferred", or "In-Network", provider, your out of pocket expense will be significantly less than if you visit a provider outside your network. The reason for this is the In network provider agrees to accept set, contracted rates as payment in full for their services in return for being part of the insurance carrier's Preferred Provider network.

## **DEDUCTIBLE**

The amount you pay before the insurance carrier starts sharing the expense of your medical care. Major medical expenses apply to the deductible like inpatient/outpatient surgeries, MRI's, CT Scans, etc...

## **EMBEDDED DEDUCTIBLE**

This only applies to employees who have dependents enrolled on their plans. In an Embedded deductible, no member of the family unit can satisfy more than the single deductible during the deductible period. Even though the family is subject to the family deductible as a whole, no one person can satisfy more than the single deductible.

## **DEDUCTIBLE PERIOD**

This is the 12 month time period in which all medical expenses that would apply to your deductible accumulate. Your deductible will reset after this period ends. This time period is important to note, because it does not always align with your plan year

## **DEDUCTIBLE CREDIT**

If your Deductible Period and Plan Year are not the same with your new health insurance carrier, the new carrier will give you "credit" for the portion of the deductible you've satisfied with the old health insurance carrier during the most recent Deductible period. In order to obtain this credit, please supply your Plan Administrator with your most recent Explanation of Benefits ( EOB ) from the old carrier.

## **CO-INSURANCE**

After you've reached your deductible for the year, the insurance carrier will split the balance of the major medical expense with you. They pay a percentage and you pay a percentage of your medical expense until you've reached your Out of Pocket Maximum

## **OUT OF POCKET MAXIMUM**

This is the maximum amount you will pay for covered medical expenses during your deductible period

## **CO-PAYS**

This is a set Dollar amount you pay when you receive medical care from a PCP, Specialist, Urgent Care, Emergency Room, or Pharmacy. It's called a CO-pay, because you pay the set dollar amount and your insurance carrier pays the rest of the actual charge from the doctor/facility. Co-pays DO NOT apply to the deductible

## **NEGOTIATED RATE ( CONTRACTED RATE )**

When a Provider (doctor, facility, pharmacy or hospital ) contracts with an insurance carrier, they are considered In-Network. Part of the contract states that the provider will accept a lower payment ( lower than what they normally charge ) from the insurance carrier as payment in full. This lower payment is the Negotiated Rate.

## **EXPLANATION OF BENEFITS**

Commonly referred to as an "EOB". The EOB is a very useful document as it explains how the insurance carrier processed your claim. It shows the billed charges from the provider, the network discount applied, and what the resulting Negotiated Rate is. ( Provider Charge - Network Discount = Negotiated Rate ) It also shows whether the service was applied to your deductible or paid as a co-pay. It is not a bill, but merely an explanation of how the insurance carrier paid your claim.

Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	\$500 per Individual / \$1,000 per Family	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Yes. <a href="#">Preventive care</a> and medical services with <a href="#">copayments</a> are covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this plan covers certain preventive services without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	Yes. \$0 per Individual for <a href="#">prescription drug coverage</a> . There are no other specific <a href="#">deductibles</a> .	You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these services.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	For <a href="#">Network Providers</a> : \$2,500 per Individual / \$5,000 per Family	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	<a href="#">Balance-billed</a> charges, <a href="#">non-network deductibles</a> , <a href="#">non-network coinsurance</a> , <a href="#">premiums</a> and healthcare this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
<b>Will you pay less if you use a <a href="#">network provider</a>?</b>	Yes. See <a href="http://www.bcbsms.com">www.bcbsms.com</a> or call 601-664-4590 or 1-800-942-0278 for a list of <a href="#">Network Providers</a> .	This <a href="#">plan</a> uses a provider <a href="#">network</a> . You will pay less if you use a provider in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
<b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b>	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

Maximum accumulation	Some of your unused annual benefit maximum can be carried over to the next year. To qualify, you must have had a dental service performed within the calendar year and used less than the maximum threshold. Individuals with fourth quarter effective dates will start qualifying for rollover at the beginning of the next calendar year. You can accumulate no more than four times the carry over amount. The entire accumulation amount will be forfeited if no dental service is submitted within a calendar year

You'll have access to the Principal Plan Dental network, with more than 117,000 dentists nationwide. Visit [principal.com/dentist](https://principal.com/dentist) to find a dentist or call 800-247-4695.

You can refer your dentist to our network. Please submit the dentist's name and information by calling 800-247-4695, or submitting a form at [principal.com/refer-dental-provider](https://principal.com/refer-dental-provider).

## What are the limitations and exclusions of my coverage?

- Missing tooth provision –This means the initial placement of bridges, partials, dentures, and implant services to replace teeth missing before this coverage starts may not be covered. If the policy your employer purchased replaces coverage with another carrier, continuous coverage under the prior plan may be applied and you may be eligible for coverage to replace teeth missing before this coverage started. Your effective date with your current employer, along with the employer's effective date with Principal are used to determine coverage. Missing tooth provision doesn't apply to pediatric essential benefits.
- Frequency limitations for services are calculated to the month and exact date from the last date of service or placement date.

There are additional limitations to your coverage. Please review your booklet for more information. We strongly recommend submitting a predetermination to determine benefits.

## What are the restrictions of my coverage?

### Orthodontia

If there is orthodontia (ortho) treatment in progress on the coverage effective date and you are covered under any prior group coverage for ortho, there will be immediate coverage for treatment if proof is submitted that shows:

- 1) The lifetime maximum under any prior group coverage has not been exceeded,
- 2) Ortho treatment was started and bands or appliances were inserted while insured under any prior group coverage, and
- 3) Ortho treatment has been continued while insured under this policy.

Principal Life will credit payments made by the prior carrier toward the Principal Life lifetime ortho payment limit.

You will not be covered if ortho treatment is in progress prior to the effective date with Principal Life and you are not covered under any prior group coverage for ortho.

---

There are additional limitations to your coverage. A complete list is included in your booklet.
